

Westport

Sofa Sleeper

- Folds out for 38" x 80" sleeping surface
- 2 wood drawers for storing linens, pillows or patient's personal belongings
- Seat and back covers are removable for easy cleaning
- Multiple stain- and bacteria-resistant Crypton fabrics
- Accommodates 250 lbs.

The Westport is available in three lengths and folds out to provide a sleeping surface (38" x 80" for option SL). It features solid wood arm grips and two wood drawers with laminate fronts for storing linens, pillows or personal items. The seat and back covers are removable for easy cleaning. [All Crypton fabrics specified by Wellness Environments are stain- and bacteria-resistant. They are certified to meet the requirements of UL94/HBF, CTB 117, and can be upgraded to meet CTB 133 if necessary.] A moisture barrier is also available.

*Drawings not to scale.
